Ellis Electives timetable

Dear Parents and Carers,

Ellis Electives – Starting Monday 22 September, 3pm to 4pm

At Ellis Guilford School, we take pride in offering a rich and varied extra-curricular programme that enhances the 'fun factor' and supports the holistic development of our children.

Our [Ellis Electives](#) are designed to help children thrive beyond the classroom—giving them opportunities to explore their interests, develop new skills, and discover fresh passions. These activities play a vital role in building confidence, fostering positive relationships between staff and children, and nurturing the key skills needed for success both in school and in life.

The Electives are incredibly popular, and participation across the school is consistently high. Our aim is to create a vibrant, inclusive culture where enrichment activities contribute to an enjoyable and inspiring environment for all. The timetable for this half-term is available on our website and is also displayed on the following page.

We hope children will be excited by this offer—fully funded by the school—and embrace the sense of enjoyment and belonging that comes with being part of a club. These opportunities are not only central to our school's ethos but are also essential to our children's personal growth, helping them feel connected to the wider Ellis Guilford community.
