24th November 2025

Dear Parents and Carers,

Opening of the EGScellence Centre for Year 11

We are delighted to announce the opening of our new EGScellence Centre – a calm, quiet, and focused environment designed to support our Key Stage 4 children with independent study and exam preparation.

The EGScellence Centre will be open for **Year 11 children every day after school from 3:10pm to 4:10pm**. Children can use this space if they do not have an after-school intervention. Children do not need to sign up in advance – spaces will be available on a first-come, first-served basis. Please ensure your child is aware of arrangements for travel home should they choose to stay at school to study.

As part of the launch, children have taken part in an introduction to the EGScellence Centre during tutor time, where they have been informed of the EGSpectations for using the space, as well as the facilities available. These include access to Chromebooks, exam textbooks, and a supportive study environment where children can work independently or revise after school.

We hope the EGScellence Centre will help promote a culture of high expectations, focus, and independent learning as our children work towards their Common Trust Assessments in January and final examinations in the Summer.

Thank you for your continued support.

Yours sincerely,

Mrs Hudson
Vice Principal
