Dear Parents and Carers,

Year 7 Maths Group Changes

Following two recent assessments, we have reviewed the current Maths groups for all Year 7 children. As part of our ongoing commitment to ensuring every child is appropriately challenged and supported, these assessments help us understand each child's progress and learning needs.

Based on this information, some children will be moving to different groups. This process allows us to provide targeted teaching that matches their current level of understanding and helps them make the best possible progress.

The new groups will be in place from **Tuesday 6th January**. Please be assured that these decisions are made carefully, with the aim of supporting your child's learning journey.

If you have any questions or would like to discuss this further, please do not hesitate to contact me: Lauren.Hudson@ellisguilfordschool.org.uk

Thank you for your continued support.

Yours sincerely,

Mrs Hudson
Vice Principal – Quality of Education
