Dear Parents and Carers,

Parent Partnership Group

In the Ellis Echo dated 16th January, I shared the importance of strong Home–School communication and my commitment to engaging with parents and carers as much as possible.

I also invited you to register your interest in joining our new **Parent Partnership Group**; a group that will meet to discuss key areas of school improvement and represent the views of the parent/carer community.

To clarify how this will work:

- **Registering your interest does not commit you to attending every meeting.** It simply lets me know that you would like to be involved and share your feedback.
- **The initial meeting dates** will be arranged based on the availability provided in the registration form.
- **Future meetings** will be organised around key areas of school improvement—for example, communication or uniform—and parents/carers will be invited to attend sessions linked to their interests.
- **Invitations to each meeting** will be sent to all members of the Parent Partnership Group, as well as the wider parent/carer community.

I warmly encourage you to register your interest if you would like to take part in these conversations with me and with our wider school team. Your input is invaluable and will help us continue improving our school for all stakeholders. Please complete the MS Form below:

Thank you for your continued support.

Kindest regards,

Miss G Johnson
