Once you have completed the form, your child will receive a link to each selected revision session via their school email address and can join at the scheduled times next week.

Conduct Online

We ask that all children engage positively and maintain appropriate conduct whilst attending these online sessions, including:

- Joining on time and being prepared to participate with a pen and paper

- Using appropriate language at all times on the chat function
- Following staff instructions
- Cameras are not permitted
- Using the chat function respectfully and for learning purposes only

These sessions are a valuable opportunity for children to strengthen their knowledge and build confidence ahead of their final exams and we strongly encourage attendance.
