23<sup>rd</sup> June 2026

Dear Parents/Carers,

We have been busy preparing for our upcoming Sports Day this Friday 26<sup>th</sup> June.

**However, due to the high temperatures we're experiencing this week, we have made the difficult decision to partly postpone.**

**Field Events - Friday 26<sup>th</sup> June AM - Competitors Only**

Children competing in the field events, will continue to do so on Friday morning. These include long jump, high jump, shot put and javelin.

**Only children competing will be out of lessons for the time it takes to complete their event.** This will keep the outdoor exposure short, and will only be during the morning when the temperatures are lower.

Children who are competing will need to come to school in their EGS PE kit. Please remind children to bring a summer hat and a drinks bottle.

**Children not competing, will come to school in their usual EGS uniform.**

**Track Events - Postponed**

We typically then have the afternoon of Sports Day out on the field where all children spectate the Track events, however we will now postpone the Track Events until later in the term.

I will write shortly with an update of the rescheduled date.

Kindest regards

Miss G Johnson  
Principal
