6th July 2026

Dear Parent/Carer,

For the attention of parents and carers of girls at Ellis Guilford School

For any girls who may need them in school, free sanitary products are always available. We are pleased to be able to continue this support over the summer holiday.

We have a range of items including sanitary towels (normal and long), pantyliners and applicator and non-applicator tampons that will be available free of charge to any girls who would like them, while stocks last.

Girls can collect these products from:

- Main Reception after school
- The Help Desk (before school and at break time)
- The canteen when leaving school on the last day of term.

We are happy to place items into a plain envelope if requested, so they can be carried discreetly in school bags.

Items will be given out on a first-come, first-served basis, and we will do our best to meet individual requests for specific products where possible.

If you have any questions, please contact the school by email at enquiries@ellisguilfordschool.org.uk.

Kindest regards,

Miss Johnson
Principal
