6th July 2026

Dear Parents and Carers,

As we move into a week of high temperatures, we want to make sure all children are as comfortable as possible while still maintaining our EGSpectations for smart uniform.

To support this, please note the following adjustments for this week only:

- Blazers do not need to be worn due to the expected high temperatures.
- To help children carry lighter bags, blazers do not need to be brought into school this week.
- Shirts must remain tucked in, and ties must be worn as usual.

Blazers must be worn from Monday 13th July.

Please remind your child to bring a water bottle each day. Children may also wish to bring suncream and a summer hat, which can be worn outdoors only.

Thank you for helping us keep children both comfortable and smart in their appearance throughout the warm weather this week.

Kindest regards,

Miss Johnson
Principal
