6th October 2026

Dear Parents and Carers,

As part of our ongoing commitment to supporting the wellbeing of our children, we will be recognising '**Hello Yellow**' Day on Friday 9th October 2026.

Children have the option to wear one yellow **accessory**, such as a ribbon, badge, hair accessory, socks or tie, or a **yellow top** over their shirt and tie, underneath their blazer, alongside their **full school uniform**. Participation is entirely optional. We appreciate that children may not have anything yellow to wear, and we completely understand.

'Hello Yellow' is a national awareness campaign that encourages conversations about mental health and reminds children that it is okay to discuss their feelings, ask for help, and support one another. Promoting positive mental health is an important part of helping children to feel safe, happy and ready to learn.

Children have already been introduced to 'Hello Yellow' Day during tutor time, where they have had the opportunity to learn about the importance of looking after their mental health and seeking support when needed. This letter is to provide parents and carers with further information and to help continue those conversations at home.

We look forward to supporting this important initiative and thank you for helping us promote positive mental health and wellbeing within our school community.

Kindest regards,

Miss Johnson
Principal
