Dear **(Name of Parent/Carer)**

Child's Name: **(Name of Child)**

As mentioned in my previous communications on 17th March 2025, we are pleased to support parents/carers of children in current Years 8-10 (who will be in Years 9, 10 and 11 from September 2025) with the cost of purchasing the new EGS uniform which will be worn by all children in September 2025.

The reason for the financial support for these year groups only, is due to the prior expense that parents in current Years 8-10 have incurred from purchasing the existing old uniform. When children return to school in September, all children in all year groups will be expected to wear the new school uniform.

Financial Support for children in current Years 8-10

Below is a voucher code for a monetary amount which will support towards the cost of the new navy EGS blazer:

- For children in current Years 8 and 9, this monetary amount is £20.
- For children in current Year 10, this monetary amount is £30. This increased amount is acknowledgement that children in this year group will only have one year of wear from the new blazer.

This voucher code is unique to your child. Each child will only receive one voucher code and subsequent voucher codes cannot be created.

Please see the attached instructions for use, which will guide you through how to place the order and redeem the voucher.

Voucher Code (unique to your child): **Voucher code will be included here**

Important: All blazer orders purchased using vouchers, will need to be collected from the school. You will be notified once your order has arrived in school for collection.

If you have any questions regarding your order, please contact us on the email address below:
