What is it all about?

What is Unifrog?

Unifrog is a one-stop-shop where students can easily explore their interests, then find and successfully apply for their next best step after school.

Unifrog will help you to explore your key interests and what career paths you can take to reach your goals!

By the end of today's session, we will have:

- Understood how Unifrog can support your future decision-making and career options.
- Explored some of the exciting features of the platform.
- Created your very own personal Unifrog accounts!

How can Unifrog help me now?

- Explore what subjects you would be interested in studying Post 16 and how these choices can lead to different career paths and further education.
- Discover courses in areas that you're interested in and see what is needed to make a successful application to a College/Sixth Form.
- Explore how to successfully apply to an apprenticeship or university course, including universities abroad.
- Support in writing a CV and Cover Letter
- Record key activities and achievements to use in your application.

In summary

- Unifrog can help you make decisions now about your college and sixth form choices and what you want to study.
- Later, it will help select the university or apprenticeship that's right for you.
- Finally you cant break it so just explore it
