October Half-Term Revision Sessions

Dear Parent/Carer,

I am pleased to inform you that we are offering revision lessons in a significant number of subjects over the half term holiday.

As I have explained previously, we are endeavouring to offer as much help and support to pupils as possible, and revision sessions over the holiday is another way we are able to offer additional learning time. It is therefore highly recommended that pupils attend the revision lesson(s) where it has been offered.

Each revision lesson will run for two hours. If pupils are attending a revision lesson, they will need to be registered onsite at the beginning of each session. Unfortunately, there will be no lunch facilities available, so if pupils are attending both morning and afternoon lessons, they must provide their own lunch.

A Google form has been created for pupils to sign up to lessons they will be attending. Pupils must have signed up via the Google form by **Friday, 16th October** to help us plan who we will be expecting.

The link to the google form is here <https://forms.gle/K9J1s5qNv8ssGYYw9>

Pupils are not expected to wear school uniform when they are in school over half-term.

A copy of the timetable is attached to this letter.

Your sincerely,

Mr David Fugill
