Dear Parents/Carers,

As part of the ongoing updates in government guidance, there have been some positive changes concerning Physical Education. These changes are of course closely monitored and will be adapted by the school if necessary.

The PE department are now able to COVID compliantly use the changing rooms for students. This has been organised with the safety of students and staff at the forefront and will be closely monitored. Safety measures such as wearing masks in the changing room (unless exempt) will be implemented.

PE lessons for your son/daughter will now be practical where possible. This also means that your son/daughter **should no longer come to school in their PE kit**. Instead they will be expected to **bring their full PE kit** to school in their bags **on both** of their PE days.

The full PE kit consists of:

- **Black Ellis Guilford Polo PE Top (Compulsory)**
- **Plain Black Tracksuit bottoms with no logo - strictly no leggings (Compulsory winter kit)**
- **Plain Black Football Socks (Compulsory)**
- **Suitable Trainers (Compulsory)**
- **Black Ellis Guilford Long Sleeved Drill Top (Optional but recommended during winter)**

Yours sincerely,

Ms Kayleigh Horner  
Head of PE
