Dear Parent/Carer,

PE kit/uniform from September 2021 at Ellis Guilford

I write to provide all pupils, parents and carers with some good news relating to PE kits from September 2021.

Currently, the ordering of PE tops in particular is problematical: orders arrive in school late and pupils therefore wear a variety of tops, some of which have the old school logo. Parents have been understandably frustrated.

We have decided to purchase a newly designed Ellis Guilford PE top, and I am delighted to be able to advise that the school will provide a complementary PE top for all Students Years 7 -11.

The new PE top has been designed by our current uniform provider, meaning that availability will be no problem moving forward and all uniform will be made by www.just-schoolwear.co.uk

All new PE tops will be available on July 28th, 2021 for our new Year 7 students joining the school in September. More details will follow.

We will provide all pupils, Year 8-11 with a new top once they return to school in September.

For information, all other uniform is AVAILABLE NOW through a link to just-schoolwear.co.uk available on our website.

I can also confirm the school will make sure all teams who represent the school in fixtures in the future will be provided with new kit, appropriate for the sport: we want only the best for our pupils.

I hope this will be good news to everyone as we continue to improve all aspects of our school.

Kind regards,
