Dear Parent/Carer,

Important guidance leaflets on the website

Here at The Ellis Guilford School, we understand the importance of providing parents and carers with up-to-date information not only about the school, but matters relating to aspects of a young person's life within and beyond the community.

I know that, at times, we can all find guidance and fact sheets useful, especially for key contacts and addresses

We have therefore uploaded a range of fact and information sheets all related to safeguarding

By following this link [Safeguarding - Ellis Guilford School](#) you will find relevant and topical guidance, ranging from Social media guidance to drug crime to advice for parents and carers.

Whatever your circumstance, I hope these may be of value ad use to you.

Kind Regards,

Chris Keen
Principal
