Dear Parent/carer,

You will be aware Ofsted conducted a full section 5 Inspection of The Ellis Guilford School last week.

The inspection took place over two days and we were inspected by two HMI's and three additional inspectors.

Their focus looked at all aspects including the quality of education offered by the school, the behaviour and attitudes of pupils, the effectiveness of safeguarding, the leadership and management of the school and whether pupils were being developed beyond the normal curriculum.

I write to inform you Ofsted will write with the outcome of the inspection in the form of a letter.

We await the outcome being published formally and I thank those parents who contributed to the inspection via the Ofsted Parent Portal.

Regards,

Chris Keen
Principal
