Friday 3rd September 2021

Dear Parents/carers,

Parent Pay/Catering

For information, your son/daughter will be given a personalised letter with information about how to log in to Parent Pay in order for you to add money for your child's account.

From Monday, therefore, your son or daughter will be able to use their 'finger print' to purchase their breaktime snack/lunch from the school's dining hall.

Parents can also give children a small amount of money to load onto the biometric machines, one of which is located in the year 7 zone. Our preference is to add money to your child's account, to avoid lengthy queues and the potential for losing money. Children will not be able to pay for their food at the till.

On average a meal, snack and drink costs £2.40. We have a new Head Chef at The Ellis Guilford School and we can expect to see better quality and a wider variety of food and snacks available. Menus will be available on the school's website.

Pupils can, of course, bring their own packed lunch.

We hope your child has enjoyed their first two days and we look forward to seeing them on Monday morning at 8.35am, ready for their first full week of learning.

Regards,

A handwritten signature in grey ink, appearing to read 'Chris Keen', written in a cursive style.
