Wednesday 8th September 2021

Dear Parent/carer,

Today, we have organised school photographs for Y8-11 pupils in the school. This will ensure we have up to date photographs for pupils on our system.

The photographs are being taken by JS Photography. They are providing a service which allows parents/carers the opportunity to purchase your child's school photograph.

How can you purchase your child's photograph?

Your child will return home with a paper slip today which includes a QR code. When activated it will take you to the photographer's website where you can see an image of your child's photograph and make a purchase if you wish to through the website or by telephoning the company directly.

Alternatively, your child will return home at a later date with a paper proof of their picture. All details and instructions relating to purchasing a photograph will be found on the reverse of the proof picture.

Photographs will be delivered to school and distributed to your child once processed.

Yours faithfully,

Chris Keen
Principal
