Dear Parents/Carers

### **Re: Year 10 Pre-Public Examinations June 2022**

I write to inform you about the upcoming pre-public examinations (PPEs) that all pupils in year 10 will be starting in the week beginning Monday, 20<sup>th</sup> June for two weeks.

The school will use these exams to not only get an accurate picture of the current working at grades for each pupil in each subject, but to analyse where gaps in knowledge are and adapt the curriculum accordingly, revisiting content that shows as needing further teaching.

It is therefore important that pupils prepare properly for these exams in a similar way to how they would for external examinations by revising content that has been taught so far this academic year as well as content from year 9.

Pupils will soon be receiving guidance from each subject, both in lessons and on Microsoft Teams, about what content will be tested in the exams. Each subject will also be providing additional information including links to websites and additional resources that will aid with their revision.

In the weeks leading up to the exams, we will provide support on how best to prepare for exams in lessons, tutor time and assemblies.

Following the results of these exams in July, we will write to you to give an update on the progress your child is making in school.

Yours sincerely,

Mr D Fugill

Vice Principal
