Wednesday 15th June 2022

Dear Parent/Carer,

IMPORTANT

Due to a sudden increase in temperature forecast for both Thursday 16th and Friday 17th May, pupils will not be required to wear the school's blazer or jumper during the school day.

All other aspect of uniform will still apply, including the wearing of a school tie.

If pupils wish to wear the full uniform including blazer and jumper, they can of course do so.

Additionally, could I ask parents/carers to make sure pupils have a water bottle. There are water stations for each year group, situated in the zones. Plastic cups will be available during break and lunch if needed and pupils will be able to fill up their own bottles during these times.

On Friday in particular, parents and carers may wish to consider providing their child a high factor sun cream.

Pupil wellbeing and safety is of paramount importance, and I hope these measures will help to support pupils over the next two days.

All pupil line ups will be kept to an absolute minimum whilst pupils will be encouraged to stay in the shade where they can during break and lunch.

Full uniform, including blazers will be required form Monday 20th June.

Thank you for your continued support.

Yours sincerely,

Mr Chris Keen

Principal
