Friday 8th September

Dear Parent/Carer

Year 11 Achievement Evening, Wednesday 20th September, 5pm to 7pm

As we enter a crucial phase in your child's educational journey, we are excited to invite you to our Year 11 Achievement and Information evening on Wednesday, 20th September. The event will start at **5pm** and run until approximately 7pm.

Following a short presentation in the hall by Mr Fugill (Vice Principal) and Mrs Aris (Head of School), you will have an opportunity to hear from our excellent team of Curriculum Leaders who will guide you through each subject your child is studying.

The purpose of this event is to provide you with essential information and resources to help you support your child as they prepare for their upcoming GCSE examinations. We understand that this is a challenging time for both pupils and parents, and we are committed to ensuring that you have all the tools and guidance necessary to navigate this important period successfully.

Here's what you can expect from the evening:

1. **Detailed Examination Information:** We will provide an overview of the GCSE examination process, including important dates and grading criteria in each of your child's subjects.
2. **Study Strategies:** Our experienced team of Curriculum Leaders will share effective study techniques and strategies that can greatly benefit your child's revision efforts.
3. **Study Skills Workshops:** Our teaching and learning team will be on hand to demonstrate practical ways you can support your child with study techniques.
4. **Access Arrangements:** Our SEND team will be available to answer any questions you have about specific access arrangements your child may be entitled to for their exams and how best to maximise their use.
5. **Q&A Session:** You'll have the opportunity to ask questions and engage with our team to address any concerns you may have.

We firmly believe that a strong partnership between parents and the school is vital for the success of our pupils and your presence at this event will empower you with valuable insights into how to help your child succeed this year.

We look forward to welcoming you to our Year 11 Achievement and Information Evening. Together we can provide the guidance and support necessary for our pupils to excel in their GCSEs and beyond.

Yours sincerely

Mr Fugill
Vice Principal
